SUPPORT OUR PARISHIONER-OWNED BUSINESSES!

(Updated November 2020)

With the new dining restrictions that just went into place again in Illinois, let us do our part to support our fellow parishioners who own or manage restaurants and have given so much to our community throughout the years. Please consider calling and placing a carry-out order, buying a gift card, or ordering delivery through Uber Eats, Doordash etc. As this is a dynamic situation, please phone ahead to check for hours of operation and how to best support these businesses.

Please call the office to add a dining establishment or bakery to the list.

Stay safe and healthy!
